

Re: Docket number 07-57

Commissioners,

I am writing to express my disapproval of the proposed merger between XM and Sirius. No matter how many ways they try to deny it, this will certainly be a monopoly, and there will be no competition in the satellite radio industry.

I am an XM subscriber. I am an XM subscriber for a number of reasons, not the least of which is that I did not want to be a Sirius subscriber. Luckily, I had that choice. I didn't want my money being used to pay Howard Stern, and it isn't. However, if the merger is allowed, people won't have that kind of choice. It may seem a small thing, but it was important to me. Competition is important to me, and there is little enough of that left in our country.

Thank you for your time,
